We Honor

Because of his sincere interest in the welfare of our school, his sympathetic understanding of our problems, and his loyal support of our activities, we gratefully dedicate our 1946 HURRICANE to

MR. HERMAN L. HORN
Principal of Marion High School

THE FACULTY

MR. HERMAN L. HORN
Principal

MISS MARIGOLD SCOTT
Assistant Principal

7 angles each

Mr. Herman L. Horn, who came to Marion High School as principal this year, has shown a keen interest in all student activities and school and community life. He has a B.A. degree from Bridgewater College and an M.A. from Duke University, where he has also been working on his Doctor's degree. . . . Miss Marigold Scott's gracious manner makes the "excuse signing" ceremony less of an ordeal. In addition to her duties as assistant principal she teaches Latin and English and is sponsor of the Girls' Hi-Y. She holds a B.A. degree from Emory and Henry College and an M.A. from Columbia University. . . . "Home Ec" is Mrs. Adelaide Adamson's field, but she has made history this year with her recreation program for bus students—the first of its kind in the state! She has a B.S. degree from Madison College. . . . Mrs. Z. T. Atkins, who has studied at Emory and Henry and William and Mary Colleges, teaches the seventh grade. . . . Another popular seventh grade teacher is Mrs. Ola B. Blevins, educated at Radford State Teachers' College and at Farmville. . . . Miss Helen Brown, holding a B.S. degree from Radford, teaches

home economics and general science and is the capable supervisor of the school cafeteria. . . . Miss Josephine Buchanan is our guidance director and teacher of senior English. She also helps the HURRICANE staff and sponsors the Beta Club, when she isn't answering questions about what college to choose or urging us to watch our grammar. She holds an A.B. degree from Hollins College and an M.A. from Columbia University. . . . Mr. Ronald Carpenter teaches manual training. "Incidentally", he also manages the audio-visual program and did a marvelous job as chairman of the Homecoming activities. He studied at Eastern Indiana State Teachers' College. . . . Mrs. Herbert Catron teaches mathematics to admiring freshmen. She has an A.B. degree from Wittenberg College. . . . Mrs. Henry Colley is our accommodating and efficient office secretary. . . . Miss Flora Copenhaver teaches English and history. She holds a B.S. degree from Mary Washington College and is especially gifted in art and dramatics. . . . Miss Mary Payne Copenhaver also teaches English and history. She has studied at Mary Washington College, Westhampton, and

MISS BUCHANAN
MISS GIVENS

the University of Virginia. She is co-sponsor of the Dramatics Club.... As chairman of the Homecoming parade **Mrs. Frank Dillard** did an excellent job. She teaches a seventh grade section.... In the library **Miss Margaret Givens** holds sway and helps us find material for those baffling history themes and English units. She holds a B.S. degree from Appalachian State Teachers' College and a B.S. in Library Science from Peabody.... **Mrs. Rodeheaver Hicks**, who studied at Marion College, teaches commercial courses.... English and history are **Mrs. Willard Horne's** subjects. She is co-sponsor of the Dramatics Club and coached the senior play. Her B.A. degree is from Ohio State University.... With a B.S. degree from the University of Tennessee, **Mrs. Robert Love** teaches history and art. She is also the sponsor of the Torch-Y Club.... On the first floor we find **Miss Virginia Meek** energetically teaching the three R's to her seventh grade.... **Miss Janet Morgan**, an A.B. graduate of Radford State Teachers' College, teaches biology and history and is also active as sponsor of the Debating Club and the Sophomore Class.... Our capable band director, **Mr. Ronald Muench**, holds a B.A. degree from Coe College and has also studied at the University of Iowa.... **Miss Elizabeth Neff**, with a B.A. degree from Emory and Henry and an M.A. from Columbia and the University of Wisconsin, teaches history. She coached the junior play and was in charge of assembly programs during the first semester.... **Mr. Leon Noel**, with an A.B. degree from King College, is tops with all who love sports and good sportsmanship. He teaches physical education and physics, coaches football, basketball, and track, and is co-sponsor of the Monogram Club.... Also in the Physical Education department is **Mrs. Nancy Patterson**, with a B.S. degree from Radford State Teachers College. She coaches girls' basketball, is sponsor of the Junior Class and also sponsors the Monogram Club.... **Mrs. Dorothy C. Roberson**, a graduate of Radford, teaches math and chemistry and has helped the HURRICANE staff to keep safely out of the red.... **Miss Opal Ross**, teaching English and history, holds an A.B. degree from West-hampton College. She is co-sponsor of the school newspaper.... As sponsor of the Glee Club and teacher of music, **Mrs. Joseph Stephenson** has been active in school affairs.... **Mrs. C. A. Wilkinson**, a popular seventh grade teacher, studied at Radford, Emory and Henry, and the University of North Carolina.... **Mr. C. A. Wilkinson** is equally at home on the football field, in the boxing ring, or teaching his math classes. He is Senior Class sponsor. His A.B. degree is from King College.

SENIOR CLASS WILL OF 1946

We, the Senior Class of Marion High School of 1946, being at present of unsound mind due to the stress and strain of graduation, and knowing well our innumerable possessions, do herewith declare the following to be our last will and testament:

ARTICLE ONE

To our school we leave our loyalty and steadfast devotion.

To the oncoming seniors we will all our ambitions and unfinished tasks.

To the oncoming juniors, sophomores, and freshmen we leave our teachers, who have helped us so patiently and untiringly along.

To the faculty of Marion High School we leave our sincere appreciation and our hope that all of our shortcomings will be forgotten on the eve of graduation.

ARTICLE TWO

PERSONAL BEQUESTS

BILLY POE regretfully leaves his popularity at Marion College to ERNIE HUTTON.

To JUNE AKER, MARGARET WINESETT bequeaths her seat in Williams Drug—but **not** her man!

PAT COLLINS wills his way with the women to MAITLAND WASSUM.

SARAJANE BLEVINS leaves her comb and mirror to CAROLYN FUNK, hoping that she will use them when she has her picture taken for the annual next year.

SUE SANDERS bequeaths her reserved seat in the library to DEANE PARRISH.

JOE GRIFFITTS leaves his swoonatra ability to DICK PEERY.

JOYCE EBLEN wills her poise and sophistication to EVELYN WYRICK.

DOT SUTTER turns over that basketball ability to MARY LOU HELDRETH.

JACKIE MCCARTY leaves his executive "genius" to CAROLYN CALHOUN.

To LEOLA CULBERT, BONNIE SNIDER wills her calm and quiet manner.

PAIGE HUBBLE leaves his ability to annoy Miss NEFF to DICK PERKINS.

OZENA WOLFE leaves her timid personality to MILLIE JOHNSTON.

LAURA AKER hands over her pull at Saltville to JEAN SNIDER.

HENRYETTA SPRINKLE and BETTYE BLEVINS leave their basketball suits to RAYBURN YORK and MARY ANN TAYLOR.

VINCENT COX passes over his excess energy and vitality to ALLEN WOLFE, on condition that he put them to good use in school.

ELIZABETH BURRIS leaves her pleasing smile to JOHNNIE ATKINS.

To JUNE AKER and EVELYN BUCK, DOROTHY GOODMAN bequeaths her ability in Home Ec.

SARAH LEE MERCER and GRAY BALES leave their seats on the school bus to G. H. WHEELER and JOHN ANDERSON.

IRMA MCFARLANE wills her friendly personality to LUCIEN LINDSEY.

HARLAN PAFFORD hands down his platform manner to the next president of the S.C.A.

SARAH LEE MERCER and GRAY BALES leave their beautiful friendship to MARJORIE HALL and FRIEDA PENNY.

Finally—to the juniors we leave the cherished privilege of sitting in the two front rows of seats in assembly. Also we pass on to them our studious habits, our amazing talents, and our way with the teachers, knowing that they will have need of them in the coming year.

Given under our hand and seal this the fifth day of June, One Thousand Nine Hundred and Forty-six.

The

Organizations

The Advisory Council

Made up of representatives from the home rooms and the various school organizations, the Advisory Council of the S.C.A. co-ordinates school activities and promotes student responsibilities along many lines. Have you noticed the paper shortage in our halls? That's the work of clean-up squads appointed by the Advisory Council. In addition to this service the Council members are responsible for traffic in the halls on assembly days, act as guides for school visitors, sponsor school dances, and help along in all school and community drives.

The Beta Club

When you see a student unduly disturbed about "B's" on his report card, it is more than likely that he is a member of the Beta Club—the organization that makes good scholarship one of its main objectives. "Character, Achievement, Leadership" is the motto of this group, and their activities are planned to promote these ideals.

"The Hurricane"

There is nothing very exciting in the story of the production of an annual. Only those on the inside know all the agonies of late copy, snow on the day last minute group pictures have to be made, no typewriters available when copy has to meet the deadline, or a notebook with "ad" copy lost after weeks of hard work. There are plenty of headaches for the staff, but there is a lot of fun too. We've enjoyed putting this book together, and we hope our readers will overlook our mistakes and find in it memories that will be a source of pleasure in the years to come.

"The Scarlet Flash"

Full of things that happen around the school, THE SCARLET FLASH is published quarterly by members of the junior class. In spite of a late start, a temperamental mimeograph machine, and other discouragements, the staff has worked hard to keep their paper going, under the energetic leadership of Editor Dick Perkins.

The Girls' Hi-Y Club

The Girls' Hi-Y endeavors to promote the development of Christian character in the school. The club is composed of junior and senior girls who have been in the Torch-Y two years and become members by initiation. Meetings are held bi-monthly with definite provisions to help in all movements for the betterment of the club, school and community.

The Torch-Y Club

The forty-two freshman and sophomore girls in the Torch-Y Club this year make it one of the liveliest organizations in school. Their main objective is to buy a medicine cabinet for the school, equipped with first aid supplies. We hear rumors of a carnival, offering entertainment of various types, to be sponsored by them later in the spring.

The Boosters' Club

"It's always fair weather when good fellows get together," and that's especially true when the good fellows are the hundred or more members of the Boosters' Club. Organized this year, the Boosters have enthusiastically backed school sports with their songs and yells in the cheering section and with the pep they have put into the pep meetings in the auditorium. They are aided and abetted by Cheerleaders Rogerson, Parrish, Sprinkle, Anderson, Hutton, and Blevins.

The Glee Club

As the strains of their latest song drift out into the hall, the members of the Glee Club can be seen gathered around the piano in the auditorium on Thursdays, with Mrs. Stephenson directing them. Open to all students interested in music, the Glee Club is one of the oldest and most active organizations at Marion High, often participating in school and community programs. As the annual goes to press, the members are working hard, expecting to compete in the High School Music Festival at our school on March 23, the State Festival for Federated Clubs, and the state meeting of Federated Music Clubs.

The Happy Sevens Glee Club

The Happy Sevens, a wide awake organization, is one of the few federated seventh grade glee clubs in the state. They assisted in two public programs during the year, gave baskets of food to the needy on Thanksgiving and Christmas, and are planning to send a representative to the State Convention to be held in Bristol on April 27.

The Marion High School Band

During the first period every morning the auditorium echoes with the blare of trumpets, the beat of drums, and a collection of other sounds of more doubtful origin. It is band period, and music is in the making. On the athletic field, in school parades, and on the concert stage the members of our band give a good account of themselves, whether they play Beethoven, Sousa, or their famous version of "Red Rhythm Valley".

The Dramatics Club

A notice on the bulletin board early last fall had our would-be actors, actresses, producers, and playwrights flocking to the auditorium to organize the Dramatics Club, under the direction of Mrs. Willard Horne and Miss Mary Payne Copenhaver. They are hard at work on one-act plays, as we go to press, and they hope to enter one of these productions in the state contests later in the spring.

THE SCARLET HURRICANE

Four reasons why Marion had one of the most successful football seasons in years—our coaches and our captains! As head coach, Mr. Noel worked long hours, developing a team that could win over odds and take defeat with true sportsmanship. Assistant Coach Wilkinson really put the boys to work, and as for our captains—well, they had what it takes! Good luck, Captain Cox, in the Navy! We miss you at Marion High.

Varsity Highlights

September 13—Virginia High, 0; Marion, 7

For the opening game, the Hurricane traveled to Bristol with not too much confidence, due to the lack of equipment and practice. Johnny Crewey's spectacular run down the field for the lone touchdown was the thrilling moment of the game.

September 22—Narrows, 0; Marion, 19

The Green Wave from Narrows rolled back before the storming Hurricane in Marion's first home game, with the football fans out in force to cheer their team.

September 29—Wytheville, 12; Marion, 0

This was a fateful night for the Hurricane, playing under the lights on Wytheville's home field. It is nothing but fate when a ball rolls backward to score a touchdown for the opposing team, and the Wythe County boys were right there to help fate along.

October 5—Johnson City, 13; Marion, 13

Marion was 40-point underdog, according to the books, but under the lights and rain, tied the Hilltoppers in a nip and tuck game. A blocked kick by Pafford set up Marion's first chance to score.

October 12—Rich Valley, 7; Marion, 21

This was the team that had not been beaten on their home field for five years. As usual, however, Coach Noel came up with surprises; and the Steers, though fighting gamely, were stampeded by the blasts from the Hurricane as it swept down the field.

October 19—Galax, 13; Marion, 13

Marion traveled across the mountains to play under the Galax lights and held a very good team to a 13-13 deadlock. A long pass from Poe to Pafford scored Marion's first touchdown.

October 27—Pulaski, 0; Marion, 32

In a lopsided game the Pulaski Orioles had their wings clipped to the tune of 32-0, much to the delight of the Marion fans, who went wild on the bleachers.

November 3—Radford, 13; Marion, 6

Playing on a muddy field, the lighter Hurricane went down before the Radford Bobcats in its second defeat of the season.

November 10—Saltville, 6; Marion, 19

With bands playing and before an estimated crowd of 1,000 spectators, the Saltshakers, Marion's traditional rivals, shook out on the local field to give the Hurricane a thrilling victory on Homecoming Day. Saltville's touchdown during the final quarter was a spectacular highlight of a rather one-sided game.

COACH NOEL, CO-CAPTAINS PAFFORD and Cox,
ASSISTANT COACH WILKINSON.

TRACK

For the first time in many years, Marion High athletes took to the cinder path and the sawdust this spring and sent representatives to the annual Class B track meet held at Roanoke on April 27.

Although coming out sixth among the eight schools represented, Marion was jubilant over Don Battelene's mighty javelin heave, which measured 146 feet, 6 inches, and left all other contestants far behind. Don Pafford shared Battelene's honors by coming out in second place with the discus. Both boys will go to Charlottesville to participate in the state meet there later in the spring.

THE SENIOR PLAY

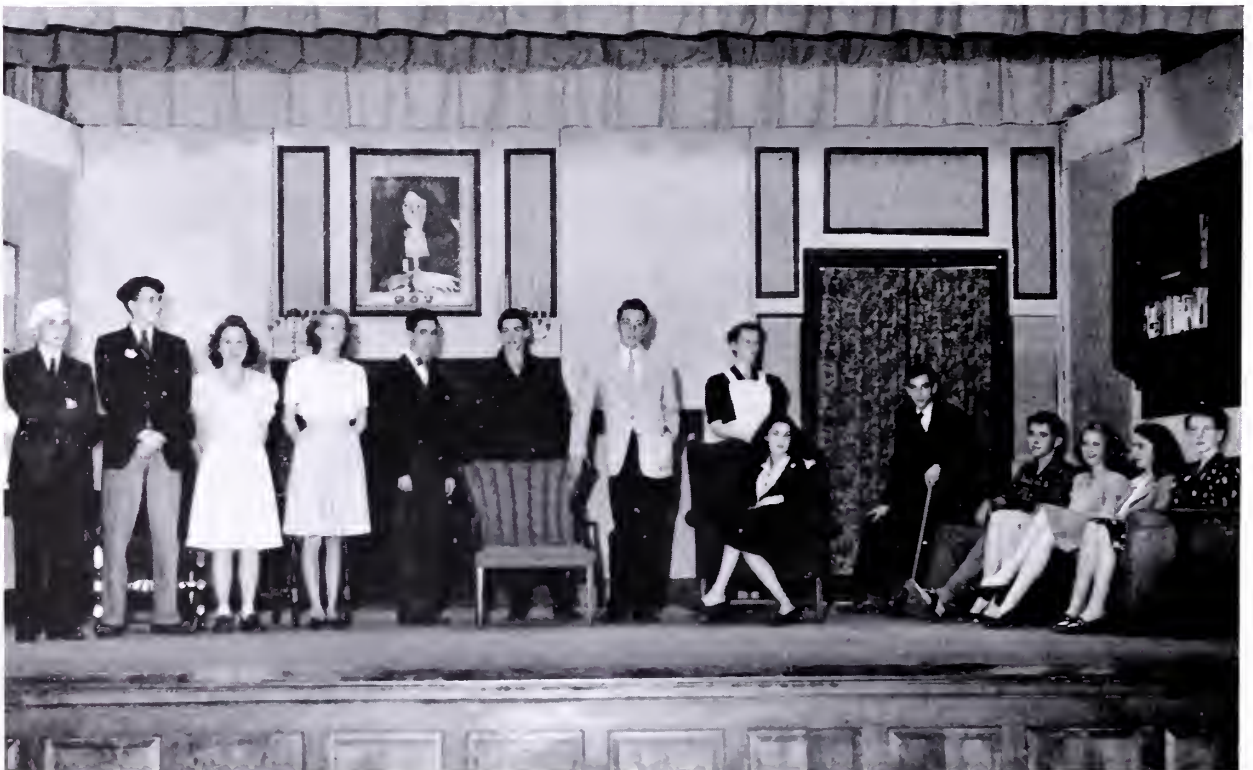

"Tiger House"

Traditional at Marion High School is the annual senior play, and this year the seniors put on a mystery thriller to end all mystery thrillers in their production of Robert St. Clair's "Tiger House" on May 3 and 4. Packed with creepy noises, secret panels, clutching claws, comedy, and romance, the play gave the seniors abundant opportunity to use their dramatic talents, under the capable direction of Mrs. Willard Horne. The stage crew deserves special commendation for the weird lighting and sound effects that contributed much to the success of the play. The boys in the shop, under Mr. Carpenter's supervision, built an ingenious set with unsuspected secret entrances and all the paraphernalia of a haunted house.

THE JUNIOR PLAY

"Seventeen"

Something new has been added to Marion High this year - a Junior Class Play. The 1946 juniors blazed the trail on March 15 and 16 with their presentation of Booth Tarkington's "Seventeen", a four-act comedy portraying typical "teen-agers" in their attempts to solve such problems as growing pains, love, and rivalry in social life.

With Dick Perkins and Martha Ewald heading an excellent cast, the play moved smoothly under the capable direction of Miss Elizabeth Neff. The sets were built by a committee of junior boys, and the stage crew managed lights and scene shifting almost like professionals.

LOOKING BACK

We hoped; we stepped on Lucky Strikes; we wished on the first star—but it happened. In spite of anything we could do, the world didn't end before September seventh. After being very favorably impressed by our new principal, Mr. Horn, we journeyed to our classes, where we were speedily unimpressed by the amount of work it seemed the teachers **thought** we were going to do. We barely dragged out the week, but were amply rewarded on Friday, when the boys took a 7-0 victory from Virginia High in Bristol, our first football game. Soon all you heard as you walked up and down the halls of M. H. S. was football—what had happened and what was going to happen. One chapel program was devoted to Dr. Stuart Staley's side-splitting story about the beginning of football at M. H. S. The Hurricane weathered some tough storms, coming up with five wins, two ties, and two losses.

The last game, against Saltville's Saltshakers, featured the homecoming celebration of the year. First, we had a bonfire, burned Saltville, and heard talks by the football boys. Then a snakesdance to end all snakesdances!! It must have stretched from one end of Main Street to the other. Really!! And then there was the midnight show with all the acts we enjoyed so much. Of course, we wished the football boys could have been there instead of getting their "beauty" sleep, especially to see the "Floradora Ballet Girls." Still very sleepy, we managed to get to town to see or be seen in the parade, and walked up that long hill (It's much longer and steeper in the middle of winter—brrr!) to see the game. Naturally the Hurricane came out on top, to the tune of 19-6. And as a special attraction—and what an attraction—Carolyn Funk was crowned Queen of the Homecoming. That night we had a dance in the gym, from which we emerged happy but s-o-o-o tired. And then on Monday the teachers wondered why we didn't have our homework as usual(?). Many thanks to Mr. Carpenter and Mrs. Dillard and all others who helped to make our first big homecoming a success.

We had two days' vacation for Thanksgiving, but the next week flu struck, and we were let out two more days. And again the next week we all came down with flu or anything we could find to catch, and were out three days. This was wonderful, until we realized it would mean a week more next summer.

The Advisory Council proved they could do more than advise by entertaining us at a party the Wednesday before Christmas.

ON IT ALL

And on the twenty-first we started the glorious ten days called (sigh) Christmas vacation. But the ten days passed about as fast as you can say "Jack Robinson" and, much against our better judgment, we came back to school.

After a painful reminder about exams, we settled down to cram. A choice few let out a sigh of relief when they were over, but the rest of us held our breath until—yes, you guessed it—report card time. The memory of our home that night is painful, so let's change the subject.

In the meantime our school paper, THE SCARLET FLASH, edited by Dick Perkins, W.H.F.C. (Woman Hater, First Class), made its first appearance. Also we had a debate in chapel on "Resolved, that women's hats are crazy." Aw, come on, stop arguing. That was last February!

On February twenty-first the band gave its annual concert.

The boys, who had a successful season, traveled to V. P. I. for the district basketball tournament. They defeated Galax 57-19, only to lose to Radford, who won the championship, 32-27, after a hard-fought game. The girls went to William Fleming in Roanoke the next week-end, where they topped Martinsville 30-20. In the semi-finals they lost to Fleming, who captured the tournament, 28-24. In the consolation game the Scarlet Flashettes lost, after a nip-and-tuck battle, to Galax 34-32. The captains of both teams, Billy Poe and Dot Sutter, were given places on the all-tournament teams, and Betty Blevins made second team.

As we go to press, the Junior and Senior plays have yet to be given, and the music festival, the one-act plays, the literary meet, the track meet, and the Junior-Senior Banquet are to take place. And that everlasting goal, Graduation, will take the seniors. Will we miss them? Yes!!

An Open Letter

to Future Leaders:

In the world of tomorrow, leadership in professional circles, in business, in politics, in industry, will go to those men and women who, in their youth, prepared themselves for these responsibilities. Upon completion of your education, when deciding where best you can apply your skills and talents, consider what your own community has to offer you and what you may contribute to its progress.

YOU CAN DREAM CAN'T YOU?

Then plan to make yours a home that will run itself.
You'll want your "**Home of Tomorrow**" to be modern, up-to-the-minute, and that means ALL-ELECTRIC.

Begin dreaming now, planning for an Electric Range, Refrigerator, Water Heater, Dishwasher, and other Electric Servants.

ANNUAL CRAFTSMEN

Unusual Year-books

The BUILDING OF A SUPERIOR YEAR-BOOK REQUIRES THE CLOSEST COOPERATION ON THE PART OF THE STAFF, THE PHOTOGRAPHER, THE ENGRAVER AND THE PRINTER. OUR CONNECTIONS AND YEARS OF EXPERIENCE ENABLE US TO RENDER A COMPLETE SERVICE. IF YOU WANT TO PRODUCE AN OUTSTANDING YEAR-BOOK, LET US HELP YOU. OUR EXPERT SERVICE WILL MINIMIZE MANY OF YOUR PUBLICATION PROBLEMS.
